PRINCIPAL EXAMINER
GROUP 2500 2652

1. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest;

(1) concerning claim 1, a gimbal having an attachment portion, a head support portion, and two struts connecting the attachment and head support portions, the struts being spaced apart and each having a center portion with a greater thickness than its ends; or

(2) concerning claim 12, a gimbal having an attachment portion, a head support portion, and two struts connecting the attachment and head support portions, the struts being spaced apart and each having means for increasing resistance to buckling, where the means are read as those structures disclosed in the specification and shown in figures 3-7; or

(3) concerning claim 21, a gimbal having an attachment portion, a head support portion, and two struts connecting the attachment and head support portions, the struts being spaced apart and each having a center portion with a greater stiffness than its ends, where the greater stiffness is read as those structures disclosed in the specification and shown in figures 3-7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
